	Address _____		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to <a href="http://www.ssa.gov">www.ssa.gov</a> .

**Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5.** See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App).

**Step 2: Multiple Jobs or Spouse Works**

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs. Do **only one** of the following.

**(a)** Use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) for most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

**(b)** Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

**(c)** If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

**Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs.** Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

<b>Step 3:</b> <b>Claim Dependent and Other Credits</b>	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly): Multiply the number of qualifying children under age 17 by \$2,000 \$ _____ Multiply the number of other dependents by \$500 . . . . . \$ _____ Add the amounts above for qualifying children and other dependents. ### Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to [www.irs.gov/FormW4](http://www.irs.gov/FormW4).

### Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 and you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

**Your privacy.** Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

**When to use the estimator.** Consider using the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at [www.irs.gov/W4App](http://www.irs.gov/W4App) to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## Specific Instructions

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

**Step 3.** This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3. 1 \$
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a. 2a \$
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b. 2b \$
c Add the amounts from lines 2a and 2b and enter the result on line 2c. 2c \$
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. 3
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld). 4 \$

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income. 1 \$
2 Enter: { • \$29,200 if you're married filing jointly or a qualifying surviving spouse
• \$21,900 if you're head of household
• \$14,600 if you're single or married filing separately } 2 \$
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" 3 \$
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information. 4 \$
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4. 5 \$

**Employee/Payee Instructions**

**Purpose:** Complete Form W-4ME so your employer/payer can withhold the correct Maine income tax from your pay. Because your tax situation may change, you may want to recalculate your withholding each year.

**Line 4.** If you qualify for one of the Maine exemptions from withholding, complete lines 1, 2, 3 and 6, and sign the form. Otherwise, complete the Personal Allowances worksheet above. You may claim fewer allowances than you are entitled to, but you must file a Personal Withholding Allowance Variance Certificate to obtain permission from the State Tax Assessor if you want to claim more allowances than allowed on line E above.

**Box 3.** Select the marital status that applies to you. You must select the same marital status you selected on your federal Form W-4, except that married individuals have the option of withholding at the higher single rate and if you selected married filing separately on your federal Form W-4, you should select single. Nonresident aliens are required to check the single box regardless of actual marital status.

**Line 6. Exemptions from withholding:**

Line 6a. You may check this box if you claimed "Exempt" on your federal Form W-4. Do not check this box if you want Maine income taxes withheld even though you are exempt from federal withholding.

Line 6b. You may check this box if you completed federal Form W-4P and wrote "No Withholding" in the space below Step 4(c). Do not check this box if you want Maine income taxes withheld even though you are exempt from federal withholding.

Line 6c. You may elect this exemption if you are a resident employee receiving wages and you meet both of the following conditions:

1. You had **no** Maine income tax liability last year, **and**
2. You reasonably expect to have **no** Maine income tax liability this year.

This exemption will expire at the end of the year and you must complete a new Form W-4ME for next year or you will be subject to Maine withholding at the maximum rate.

Line 6d. You may elect this exemption if you receive periodic retirement payments pursuant to IRC § 3405, you had no Maine income tax liability in the prior year and you reasonably expect you will have no Maine income tax liability this year. This election will remain in effect until you complete a new Form W-4ME.

**Line 6e.** If you are the spouse of a member of the military, you may claim exemption from Maine withholding if you meet the following requirements:

1. Your spouse is a member of the military located in Maine in compliance with military orders.
2. You are in Maine solely to be with your spouse.
3. You and your spouse have the same domicile in a state other than Maine.
4. You attach a copy of your spouse's latest Leave and Earning Statement reflecting an assignment location in Maine.

5. You present your military ID to your employer. The ID must identify you as a military spouse.

Your exemption will expire at the end of the calendar year during which you submit Form W-4ME claiming the exemption, at which time you must complete and submit a new Maine Form W-4ME for the new year.

**Note:** You may be subject to penalty if you do not have sufficient withholding to meet your Maine income tax liability.

### Notice to Employers and Other Payers

Maine law requires employers and other persons to withhold money from certain payments, most commonly wages, retirement payments and gambling winnings, and remit to Maine Revenue Services for application against the Maine income tax liability of employees and other payees. The amount of withholding must be calculated according to the provisions of MRS Rule 803 (See [www.maine.gov/revenue/rules](http://www.maine.gov/revenue/rules)) and must constitute a reasonable estimate of Maine income tax due on the receipt of the payment. Amounts withheld must be paid over to Maine Revenue Services on a periodic basis as provided by 36 M.R.S. Chapter 827 (§§ 5250 - 5255-B) and MRS Rule 803 (18-125 C.M.R., ch. 803).

### Employer/Payer Information for Completing Form W-4ME

An employer/payer is required to submit a copy of Form W-4ME, along with a copy of any supporting information provided by the employee/payee, to Maine Revenue Services if:

- A. The employer/payer is required to submit a copy of federal Form W-4 to the Internal Revenue Service either by written notice or by published guidance as required by federal regulation 26 CFR 31.3402(f)(2)-1(g); or
- B. An employee performing personal services in Maine furnishes a Form W-4ME to the employer containing a non-Maine address and, for any reason, claims no Maine income tax is to be withheld. This submission is not required if the employer reasonably expects that the employee will earn annual Maine-source income of less than \$3,000 or if the employee is a nonresident working in Maine for no more than 12 days for the calendar year and is, therefore, exempt from Maine income tax withholding.

Submit copies of Form W-4ME directly to the MRS Withholding Unit separately from any other tax filing.

Employers/Payers must complete lines 7 through 10 only if required to submit a copy of Form W-4ME to Maine Revenue Services.

- ✓ Line 7 Enter employer/payer name and business address.
- ✓ Line 8 Enter employer/payer federal identification number (EIN and/or SSN).
- ✓ Line 9 Enter employer/payer contact person who can answer questions about withholding (i.e. human resources person, company officer, accountant, etc.).
- ✓ Line 10 Enter employer/payer contact person's phone number.

### Important Information for Employers/Payers

**Missing or invalid Forms W-4, W-4P or W-4ME.** If any of the circumstances below occur, the employer or payer must withhold as if the employee or payee were single and claiming no allowances. Maine income tax must be withheld at this rate until such time that the employee or payee provides a valid Form W-4ME.

- (1) The employee/payee has not provided a valid, signed Form W-4ME;
- (2) The employee's/payee's Form W-4 or W-4P is determined to be invalid for purposes of federal withholding;
- (3) The Assessor notifies the employer/payer that the employee's/payee's Form W-4ME is invalid; or
- (4) The employee's/payee's Personal Withholding Allowance Variance Certificate has expired, a new variance certificate has not been approved and submitted to the employer/payer and the payee has not provided the payer with a valid Form W-4ME.

**Exemptions from withholding Form W-4ME, line 6.** Generally, employers/payers must withhold from payments subject to Maine income tax unless an exemption is claimed on line 6.

**Federal exemption from withholding** (lines 6a and 6b). An employee/payee who is exempt from federal income tax withholding is also exempt from Maine income tax withholding. The employee/payee must check the applicable box on line 6. An employee/payee exempt from federal withholding that wants Maine withholding must leave line 6 blank. See the instructions for line 6d for recipients of periodic retirement payments who are exempt from federal income tax withholding.

**Resident employee exemption from Maine withholding** (line 6c). A resident employee who is subject to federal income tax withholding is exempt from Maine income tax withholding if the employee had no Maine tax liability for the prior year and expects to have no Maine tax liability for the current year. The exemption on line 6c expires at the end of each year. If the employee fails to submit a new Form W-4ME for the next calendar year, the employer must begin withholding at the single rate with no allowances.

**Withholding from payments to nonresident employees.** An employee who is exempt from Maine income tax because of the nontaxable thresholds applicable to nonresidents is not required to complete and submit Form W-4ME; however, an employee becomes subject to Maine income tax withholding immediately upon exceeding a threshold at any time during the year. Because all income earned in Maine is taxable by Maine once a threshold is exceeded, employers should work with affected employees to ensure that Maine withholding is adequate to cover Maine income tax liability for the year. This may require the employee submitting a new Form W-4ME with the employer.

**Withholding exemption for periodic retirement payments** (line 6d). Recipients of periodic retirement payments as defined by IRC § 3405 that are subject to federal income tax withholding are exempt from Maine income tax withholding if the recipient certifies (by checking the box on line 6d) that he or she had no Maine income tax liability for the prior year and expects to have no Maine income tax liability for the current year. The exemption remains in effect until the recipient submits an updated Form W-4ME.

**Exemptions under the Military Spouse's Residency Relief Act (MSRRA).** If the box on line 6e is checked, the employer must:

- (1) Ensure that a copy of the military member's Leave and Earnings Statement (LES) is attached, and verify that the assignment location entered on the LES is a location in Maine; and
- (2) Review the employee's military ID to ensure that the date on the ID is not more than four years prior to the date on the employee's Form W-4ME, and that the ID denotes the employee as a current military spouse.

An exemption claimed on line 6e expires at the end of the calendar year. If the employee does not submit a new Maine Form W-4ME, the employer must begin withholding for the first pay period in the following year at the maximum rate (single with one allowance).

See the employee instructions for line 6e above for more information about this exemption.
